

WEERT

FUNCTIONAL TESTER

MICROSOFT BUSINESS CENTRAL

Location : Weert, Netherlands (and partly remote)
Employment Type : 32–40 hours per week
Start Date : ASAP

About OVO-Vision

We are a leading provider of ERP software for the global food industry, with a specialization in the egg and poultry sector. Our solutions are built on Microsoft Dynamics 365 Business Central and are deployed worldwide. To strengthen our team, we are looking for an experienced and functional tester with expertise in Business Central.

About the role

We are looking for an experienced Functional Tester with in-depth knowledge of Microsoft Business Central. In this role, you will be responsible for testing business processes and functionalities within Business Central, ensuring the quality, stability, and reliability of our software solutions.

Responsibilities

- Design and execute test scenarios and test cases for Microsoft Business Central.
- Perform functional testing of new and existing modules, including integrations with other systems.
- Report findings and collaborate with developers and consultants to resolve issues.
- Contribute to the improvement of testing processes and test automation.
- Document test results and monitor test coverage.
- Advise on quality improvements within the development process.

Requirements

- Minimum of 5 years of experience as a functional tester, preferably within ERP environments.
- Proven experience with Microsoft Dynamics 365 Business Central.
- Familiarity with the AL programming language (to understand and assess technical implementations).
- Experience with test automation, preferably within Business Central.
- Knowledge of testing tools and methodologies such as TMAP, ISTQB, or equivalent.
- Strong analytical skills and attention to detail.
- Excellent communication skills, both verbal and written in English (Dutch is a plus).
- Proactive and independent working attitude.

What we offer

- A challenging position within an innovative and professional scale-up environment.
- Opportunity to work with the latest technologies in Microsoft Dynamics.
- Competitive salary and attractive secondary benefits.
- Flexible working hours and hybrid work options.
- Room for personal development and training.

Interested?

Send your CV and motivation to g.vandebeek@ovo-vision.com and become part of our team that takes ERP solutions to the next level.
